CommunityWise Open House October 2, 2013

History

The building is the oldest purpose-built, social service facility in Calgary. Constructed in 1911 as a YWCA facility, the building was a hostel, created to address the needs of single women new to the city. Along with temporary and long-term shelter, it offered services including language classes and assistance for immigrants, and recreational opportunities for women at a time when their access to such resources was much poorer than it is today.

The building became the “Old Y” in 1971 after the YWCA vacated the premises and completed their new building on 5th avenue, at which point the City of Calgary took possession. Since that time, the Old Y building has housed dozens of diverse community-serving, grass-roots and non-profit agencies. At first it was managed by Interfaith under the City of Calgary Neighborhood Services Department.

In 1979 the City of Calgary threatened to redevelop the site due to the prohibitive cost of maintaining the aging building. In response, the groups renting offices united to form a tenants association called the Old Y Action Groups. Together they rescued their beloved building from demolition, and began to formalize the lease agreement with the landlord, the City of Calgary. The tenants association registered as a non-profit society under the Provincial Societies Act and worked to protect the building by establishing it as a historical site with provincial heritage status. The Old Y building became a registered historic resource in 1982, while at the same time the tenants’ association officially changed its name to “Old Y Centre for Community Organizations.”

Since then, it has functioned under the umbrella of the tenant organization as affordable office space for dozens of diverse grassroots and non-profit agencies, in sectors ranging from arts and culture, immigrant community associations, youth agencies, LGBTQ community resources, environmental groups, social justice advocacy and more.

What is CommunityWise?

Located at 223 – 12th Ave SW, in the heart of Calgary’s Beltline Neighbourhood, COMMUNITYWISE (in the historic YWCA building) is a beautiful centre for grassroots, non-profit, and charitable organizations.

The Centre is managed by CommunityWise Administration where our focus is on the stewardship of this provincial historic resource building as well as community development and support for our member organizations.

CommunityWise preserves its historical foundations as a community –driven hub for social change through accessible and cooperative office space, organizational and community development and peer support activities

CommunityWise provides offices, meeting rooms, activity spaces, and both indoor and outdoor common spaces for over 90 member organizations.

The centre is democratically managed with a tenant board of directors and a small staff collective. The CommunityWise office is open from Monday to Friday for access to member organizations, public resources and events. Members have access to the building for their events, meetings and programs seven days a week.

Land Acknowledgment

CommunityWise exists in the traditional territories of the Blackfoot and the people of the Treaty 7 region, which includes the Siksika, the Pikuni, the Kainai, the Tsuu T’ina, and Stony Nakota First Nations. The City of Calgary is also home to Metis Nation of Alberta Region III.

We acknowledge First Nations and traditional territories because the purpose of CommunityWise is about sharing space and because it’s one way to locate ourselves in the process of healing from colonial violence. We aim to make CommunityWise more accessible for indigenous peoples.

Mission

To be a community hub, providing inclusive and affordable space and community development programs to support and strengthen diverse grassroots and non-profit members.

Vision

To achieve equitable social change through collaborative work.

Values

COMMUNITY: cultivating relationship, connection, engagement and collaboration

DIVERSITY: representing and championing voices, practices and cultures, representing individual uniqueness and collective wisdom.

SUSTAINABILITY: enriching human and environmental interrelationships to ensure a prosperous future of our communities, future generations, and the Earth.

SOCIAL JUSTICE: fostering an equitable society where all life is respected.

ACCESSIBILITY: providing barrier-reduced space and resources

HERITAGE: promoting learning from the past, honoring cultures and traditions, conserving historic space.

Governance Structure

Non-Profit Board

CommunityWise is a registered non-profit with charitable status. Like all non-profits, we have a board of directors. The CommunityWise board of directors is a passionate and committed collection of individuals who represent the interests of the CommunityWise, its member organizations and the community at large.

True to the original tenants' association who founded the organization, direct democratic process is very important to us. Everyone using the space can participate in decisions about what happens in the space. The board pursues decisions using consensus-based decision making practices.

Committees (working groups) include:

Membership, Programming, Human Resources, Finance, Policy, Fund Development, Governance. Anti-Racist Organizational Change (AROC) Working Group

"Building" Communication

We value open communication and encourage all members to contact staff and board of directors with any questions or concerns any time! Members can reach us at the office by phone or in person.

We also use email, Facebook, flyers and posters. Send us your information and announcements so we can share them with other members in the monthly building memo.

Also look for information about events and announcements on our bulletin boards! Members can utilize the bulletin boards to share information about their organizations and events.

Hospitality and Respect

CommunityWise provides space to a diverse group of members, we all have much to learn from each other. Be kind and generous, consider things like how noise affects others using the space, leave the space cleaner than you found it.

We have zero tolerance for hatred, prejudice or discrimination based on ethnicity, gender or sexual orientation, religion, ability, size, age, language. CommunityWise, as a Safe(er) Space, has a policy which highlights the importance of respect and inclusiveness.

Eviction/ Termination of Membership Procedure

We rarely have to use this policy but if members don't follow CommunityWise guidelines, termination of Membership by the Board on recommendation from the Membership Committee follows a three-step process. Step 1—Warning and possible fine, Step 2—Loss of access to the Building for a period, Step 3—Loss of membership.

Transportation

CommunityWise Centre encourages sustainable transportation. We have **BIKE** racks located in front of the building and are walking distance to the Westbound 1 Street SW, Eastbound 3 Street SW and Victoria Park (16 Ave and Macleod trail) C-Train stations. Rent Equity

CWRC has a standardized office rental agreement with all tenant members which outlines the responsibilities of CWRC as holders of the head lease with the City of Calgary and Members, as sub tenants of the building. Taking into account equity, CommunityWise charges different rates for offices and considers what an organization could pay relative to others members in the building. The rates are reviewed annually by the membership committee and the finance committee. Rental agreements are month to month.

Electrical, Heat, Water and garbage collection services are included in the rent price. CommunityWise bills separately for Internet.

Dog Policy

CommunityWise welcomes dogs as part of our community. However, the building is first and foremost an office building for people. In respect to other members in the building all dog owners choosing to bring their dog must adhere to the following. Please be aware that while many people find comfort and safety with dogs others feel threatened by dogs:

- must be registered with The City of Calgary and be up to date with their vaccinations
- must not be disruptive and/or bark excessively
- must not be aggressive and must be friendly with other dogs
- must be properly controlled at all times while on the property
- may accompany their owners to meetings and events in the common areas and backyard when all other attendees have given their consent
- must not accompany you to other offices unless invited

These rules also apply for meetings and events held by members. Please be aware how having dogs present at an event may impact others in the building.

Please note:

- As the dog owner you are responsible for any mess or damages caused on the property and are required to clean up and repair as required. Fees may be incurred if this is not adhered to
- CommunityWise advises against leaving your dog unattended in your office, but if the need should arise we ask you to notify the CWRC admin office with a contact name and number in case of emergency or other issue.

Office active use policy

Access to office space at CWRC is an essential resource which helps facilitate our member organizations ability to engage in their important work.

In the event that organizations renting office space cease to be active in fulfilling their own mission or cease to be occupied by staff or volunteers a minimum of 8 hours/week, the membership committee is entitled to implement the policy by beginning a conversation about switching, sharing or vacating the room with the member. The member organization in question will remain a member in good standing and will be eligible to rent other rooms in the building, if circumstances change.

All CWRC members and the greater community, benefit when the main floor space is accessible to the public, to wheelchairs and strollers, and active use. This policy means the board will also prioritize member organizations that use the office for a minimum of 30 hours per week, and provide services or resources to the community requiring accessible space.

“The Burrow” Room 207 —\$10 (evenings FREE during the day)

Facilities cont...

Keys

Each member organization will receive an entry fob for the front and back door and a common room key. The common room key will open all common rooms and the photocopy room. Organizations can purchase additional Entry fobs for \$15 and extra common room keys for \$5 through the Admin office.

Your **Common Room key** accesses the Main Common Room, the Dance Studio, Board Room, Burrow and photocopy room.

To access the meeting room #106, #206 you need a temporary key and you must arrange to get it from CommunityWise admin. When you are done with the key please drop it in the mail slot on the Admin office door.

Locks

All offices in the building must be accessible by CommunityWise admin office. Any organization wishing to change the locks on their office door must inform the admin office first. For security reasons, all locks must be re-keyed to our master key by our locksmith. If any agency changes the locks and the office is not accessible by CommunityWise administration the centre reserves the right, at the expense of the organization in question, to have the locks changed for the master key.

Security

The building is accessible with your access fob from 6am-12am (midnight) every day of the year. Please familiarize yourself with the use of the entry keypad system and If you have any questions do not hesitate to ask. If you have a meeting or event please post a note on the front door telling guests which number to buzz to get in. Press #6 on your phone to let them in. We ask you to not leave the door propped open.

Windows

Windows must be kept closed when any room is vacant. Windows must be closed in the common rooms after your booking. Any damages resulting from rain, frost, frozen or broken water pipes, will be charged to those using the space as per our Window and Door policy.

Washrooms

There are two washrooms on each floor. The only wheelchair accessible washroom is located on the main floor. Washrooms are checked and restocked daily. Please alert Admin about clogged drains or toilets, or any other problems. Our buildings' pipes are very old, they clog easily and plumbers are expensive. Do not put any food, paint, coffee grounds, hygiene products etc. in the sinks or toilets.

Main Floor Kitchen

The shared kitchen is a great place to cook or reheat food, prepare for events, make tea or coffee, and to run into people. There are two fridges that you can use on the main floor. Please label your food and don't let it get moldy. Wash dishes (there is also a dishwashing machine) and clean countertops. Clean up after yourself, it's everyone's responsibility.

At times the kitchen will be used by members doing cooking programming.

Upstairs Kitchen

Across from the board room, the 2nd floor kitchenette with limited equipment. Bring your own coffee and tea, label your food in the fridge and enjoy the beautiful mural "food should be fun!" while you clean up.

Compost

Composting is amazing! We have a compost bin in the back yard. You can put your organic scraps in it or into the small green bin on the main kitchen windowsill. Feel free to empty the green bin into the outdoor compost.

Hallways

Do not leave your old furniture, boxes etc. in the hallways. Obstructions are a safety hazard and set a precedent for more stuff to accumulate. You are responsible for removal of items but contact Admin office if you need help.

Clean Up DIY

Our cleaning company does a great job keeping the washrooms and hallways clean. They are not responsible however for cleaning common rooms and kitchens after every booking. That's your job. When your event is finished please ensure the space is left cleaner than you found it. Respect and cooperation are necessary ingredients for enjoyable, functional community space.

Main Common Room Clean Up

- Stack chairs in the SW corner near the piano.
- Wipe down tables.
- Collapsible tables can be stacked in the closet near the front entrance of the room.
- All spills and muddy footprints must be cleaned up.
- Vacuum and mop are in the kitchen cupboard to the right of the stove—please use them.
- Put your garbage in the dumpster out front. The dumpster key is in the photocopy room, put it back when you're done.

Thanks!

Clean up Fines

If you do not clean up after your booking you may be charged a clean up fee by CommunityWise Administration.

Serving Alcohol

Events where liquor sales occur are permitted at CommunityWise, however it is required that any event where liquor is being sold must have a valid AGLC license to do so. A copy of the license must be submitted to the administration office. Community event liquor licenses can be obtained at many liquor stores. Please speak with CWRC staff before obtaining a licence for any event at the centre.

Shared Resources

Members have access to a number of shared resources at CommunityWise which can be used for free onsite and, for those that can leave the building) at a cost for off site use. Among other items, these include:

Photocopier/Printer
Projectors
Sound Equipment and PA Equipment
Popcorn Maker
Button Makers
Folding Tables and Chairs
Flip Charts/Whiteboards
Bike Trailer
Festival Tents
Kitchen Supplies
Various tools are also available.

Please ask at the admin office for rental details and prices.

Facilities

Fire Exits and Drills

Fire exits are posted throughout the building. There are maps located on bulletin boards indicating fire exit routes. The muster point is the Central memorial Library in the event of Alarm or drill.

Parking Policy

Honestly, parking is a real challenge for our building and the neighborhood in general. Paid parking is available most times of the day (free after 6pm and on Sundays) in front of the building. There is a small driveway and if you do park in this spot we ask that you leave your contact information in the dashboard so others can find you when they need to leave.

Garbage

You are responsible for emptying your own garbage from your office and common-room events. The dumpster is located in the back of the Hop in Brew and the key for the lock is in the photocopy room. Please put it back after using it.

Recycling Room

Recycling facilities are located in the main floor kitchen and second floor kitchenette. Please follow City of Calgary guidelines for recycling materials (www.calgaryrecycling.com). No hazardous or contaminated materials should be placed in recycling facilities. Big Pal Glenn picks up on Wednesday.

Shredding

Big Pal Glenn also takes paper for shredding. He is inexpensive and very good. If you have any paper that you wish to be shredded please put them in a bag with your organizations name on it and leave it with us in the Admin office.
